WOOTTON PARK ACADEMY TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2025

The trustees present their annual report together with the accounts and auditor's report of the charitable company for the year 1 September 2024 to 31 August 2025. The annual report serves the purposes of both a trustees' report, and a directors' report under company law. The academy trust operates an academy providing primary, secondary school and sixth form education provision for learners aged 4 to 19 in Northampton. It has a pupil capacity of 1,260 and had a roll of 1668 in the school census on October 2025.

Wootton Park School is a place of passion, purpose, and progress. We believe that what our young people experience and achieve here will shape their lives and futures. Our commitment is to excellence in education, personal development, and public service. We recognise that every child is unique. Through innovative approaches and the freedoms afforded by academy status, we tailor learning to meet the diverse needs of our community. Our extended school day and all-through structure (ages 4–19) provide continuity, enrichment, and opportunity.

Wootton Park School is the school of choice for families who value academic success, personal growth, and a caring, aspirational environment.

Our Ethos

Our ethos is built on six guiding principles:

- Developing young people to contribute to a better society through citizenship, community, and service
- Delivering a rigorous, broad, and balanced curriculum that fosters academic excellence and communication skills
- Serving as a hub for the local community, engaging whole families in the learning journey
- Providing tailored support that considers all factors influencing achievement
- Promoting public service to empower learners as active, engaged citizens
- Holding the highest aspirations and ambitions for every learner

This ethos is embedded in our teaching, leadership, and communication with all stakeholders.

Our Curriculum - Our curriculum is designed to develop the whole learner:

- Intellectual development – what we learn
- Character formation – who we are when we learn
- Learning behaviours – how we act when we learn
- Moral and civic understanding – our place in the world

We offer a broad, balanced, and bespoke curriculum that reflects global best practice. As a 4–19 all-through school, we maximise continuity between key stages and build long-term relationships between learners and staff.

Our secondary subject specialists enhance the primary curriculum, ensuring expert delivery across all phases. This integrated approach supports both academic achievement and personal development.

Our curriculum is rooted in the Early Years Foundation Stage and National Curriculum, enriched to extend learning and prepare learners for life. It is underpinned by three core pillars:

- Attainment for All
- Community Participation
- A Stronger Society

Structure, governance and management

Constitution

Northampton Free School Trust became a MAT in April 2025 and changed its name to Wootton Park Academy Trust (WPAT). The Trust is a company limited by guarantee and an exempt charity. Governance is defined by the Memorandum and Articles of Association. The Trustees of WPAT also serve as directors of the charitable company. A full list of Trustees is provided in the Reference and Administrative Details section.

The charitable company's academy is known as Wootton Park School.

The trustees of Wootton Park Academy Trust are also the directors of the charitable company for the purposes of company law. Details of the trustees who served during the year, and to the date these accounts are approved, are included in the Reference and Administrative Details on page 1.

Members' liability

Each member agrees to contribute up to £10 towards the assets of the company in the event of winding up, covering debts incurred prior to their departure.

Trustees' indemnities

Professional indemnity insurance is in place to protect Trustees from claims arising from negligent acts, errors, or omissions during Academy business.

Method of recruitment and appointment or election of trustees

Trustees are appointed by the Secretary of State for Education or by members of the charitable company. Parent Trustees are elected by parents of registered learners. The Principal serves as an ex officio Trustee. Trustees serve terms of up to four years, with eligibility for re-election. In September 2025 the governance structure will change to reflect the new MAT status and include the Parent Carer Community Advisory Board (PCCAB).

Policies and procedures adopted for the induction and training of trustees

Induction is tailored to individual needs and includes training on charity governance, education policy, legal responsibilities, and financial oversight. Trustees receive key documents and meet staff and students to gain insight into school operations.

Organisational structure

The Trust operates a three-tier management structure:

- **Trustees:** Strategic direction, policy setting, budget approval, capital expenditure, and leadership appointments
- **Principal:** Operational leadership and implementation of strategic plans
- **Senior Leadership Team (SLT):** Executive management, curriculum delivery, staff recruitment, and school development

The SLT at Wootton Park School during 2024-2025 included the Principal, two Senior Vice Principals, three Vice Principals, eight Assistant Principals, and the Business Manager / CFO. This team spans primary and secondary expertise and has expanded to support the opening of the Trust's new primary school, Overstone Gate Primary School, in September 2025.

Trustees are actively engaged in school life and governance, attending public events and contributing to strategic discussions.

Arrangements for setting pay and remuneration of key management personnel

The Trust has a pay policy which is linked to the appraisal policy. Pay at certain points of the pay scale is linked to performance. The Principal/ Executive Headteacher undergoes an annual appraisal by a committee of Trustees and an external adviser. The Heads of School, Vice Principals and Business Manager/CFO are appraised in line with the school appraisal policy by the Executive Headteacher. The outcomes of their appraisals are discussed at the Pay Committee before any incremental pay awards are agreed. Where other staff are being considered for a pay increase related to performance, they too are discussed at the Pay Committee.

Related parties and other connected charities and organisations

The Trust has a policy which prohibits it from entering into transactions with connected parties whether they be members of staff or Trustees, or companies, charities or other organisations which are controlled by members of staff or Trustees or their families. Trustees and the senior management team are required to confirm that they are not related to any parties with which the Academy does business at each Trustees meeting. As shown in the financial statements there were no transactions with related parties in this or the previous reporting period.

All staff are regularly kept informed about Trust matters via regular staff briefings, coaching arrangements, the school calendar and the sharing of new and revised policies. The Trust regularly seeks staff voice via consultations, stakeholder surveys, 1-1 coaching and through staff meetings. Professional Learning Days include briefings and discussion around how all members of staff contribute to the performance and success of the trust. This is underpinned through the school development plan and the performance management procedure. As a Disability Confident committed employer, the trust is committed to inclusivity and accessibility for all applicants and staff.

Objectives and activities

Objects and aims

The principal object and activity of the Academy is to provide education for pupils of different abilities between the ages of 4 and 18.

In accordance with the articles of association the Academy has adopted a "Scheme of Governance" which is reviewed annually.

WOOTTON PARK ACADEMY TRUST

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

Objectives, strategies and activities

The main objectives of the Academy during the year ended 31 August 2025 are summarised below:

- to ensure that every child enjoys the same high quality education in terms of resourcing, tuition and care;
- to raise the standard of educational achievement of all pupils;
- to improve the effectiveness of the Academy by keeping the curriculum and organisational structure under continual review;
- to provide value for money for the funds expended;
- to comply with all appropriate statutory and curriculum requirements;
- to maintain close links with industry and commerce;
- to conduct the Academy's business in accordance with the highest standards of integrity, probity and openness.

The Academy's main strategy to achieve its objectives is to provide education for pupils of different abilities, in a learning environment utilising the best possible teaching facilities and staff. To this end the activities provided include:

- tuition and learning opportunities for all students to attain appropriate academic qualifications;
- training opportunities for all staff, and especially teaching staff;
- a programme of extra-curricular opportunities, clubs and experiences for all students;
- an independent careers advice and a guidance programme to help students obtain employment or move on to higher education.

Public benefit

In setting our objectives and planning our activities, the trustees have carefully considered the Charity Commission's general guidance on public benefit.

Within these objectives it is the Trustees drive to provide development of young people to create a better society through the promotion of citizenship, community and service.

A rigorous academic curriculum which achieves high standards and at the same time builds the communication skills and confidence of young people.

A school at the heart of its community, helping to promote cohesion by working with whole families, not just learners.

Tailored support to individual learners, taking into account all the factors impacting on their educational achievement.

A focus on community participation that helps establish young people as engaged and active citizens with the ability to apply learning, skills and ideas in the community.

Strategic report

Achievements and performance

Exam Outcomes 2024-25 - The 2024-25 examination outcomes at Wootton Park School continue to reflect our commitment to Attainment for All and the delivery of a broad, ambitious curriculum that meets the diverse needs of our learners. Our all-through academy setting, serving 1,660 learners from early years through sixth form, maintains a strong track record of academic success, aligned with our vision to ensure every learner achieves to their fullest potential in a supportive and caring environment.

GCSE and Key Stage 4 Results - Our GCSE results confirm the **high expectations** set across the school, with learners demonstrating strong progress and attainment consistent with our ethos of academic excellence. The proportion of disadvantaged learners (12% Pupil Premium) and those with SEND (18%) achieving positive outcomes remains a priority. Our targeted intervention strategies and bespoke support have positively impacted these groups, ensuring that barriers to learning are addressed promptly and effectively.

The curriculum's sequencing and depth, praised by Ofsted, have been instrumental in securing these outcomes. Learners benefit from carefully designed learning journeys that revisit and consolidate knowledge, which supports strong performance in examinations.

Behaviour and engagement in lessons contribute significantly to these outcomes. Our learners' exemplary conduct and eagerness to learn, as noted by Ofsted, mean that teaching time is maximised and high-quality work is produced.

Sixth Form Performance - The sixth form outcomes for 2024-25 show continued improvement as we complete our third year of operation. The enhancements made to curriculum breadth and academic support are beginning to bear fruit, with students increasingly well-prepared for progression to higher education, training, or employment.

Sixth form learners benefit from extensive academic mentoring and access to challenging academic texts, which develop critical thinking and subject-specific skills essential for success at A-Level and beyond.

Early Years and Primary Phase Foundation - Strong foundational skills, particularly in reading and phonics, set learners up for success in later examinations. Early intervention and frequent assessment ensure that any emerging gaps are swiftly addressed.

The continuity of curriculum planning from early years through secondary supports steady progress and confidence in examination settings.

Contextual Considerations - Our school context, with a relatively high SEND population and a significant proportion of Pupil Premium learners, means that exam outcomes reflect not only academic achievement but also the success of our inclusive and personalised approaches.

The extended school day and innovative curriculum design, enabled by our academy freedoms, provide additional time and resources for learners to consolidate learning and receive tailored support.

Attendance at 94% supports consistent engagement with learning, contributing positively to exam readiness.

Ofsted Inspection March 2025 - Wootton Park School received an Outstanding rating in its 2025 Ofsted inspection, reaffirming its status as a top-performing school.

A detailed summary of the key findings from the March 2025 Ofsted report:

Overall Judgement: Outstanding - The school maintained its Outstanding rating, continuing its legacy of excellence from the previous inspection in 2019.

Learner Achievement and Behaviour

- **Learners are highly motivated, well-behaved, and eager to learn.**
- Inspectors noted that learners consistently produce **high-quality work** and take pride in their achievements.
- Behaviour across the school is described as **exemplary**, with students rising to the school's high expectations.

WOOTTON PARK ACADEMY TRUST

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

Teaching and Curriculum

- The school offers an **aspirational and inclusive curriculum**, tailored to support both academic excellence and personal development.
- Staff were praised for their **excellent subject knowledge** and ability to nurture learners effectively.

Well-being and Support

- Wootton Park School's commitment to learner well-being was highlighted, including the unique contribution of **Alfie, the school's well-being dog**, in supporting learners emotionally.

School Culture and Leadership

- The report commended the **dedication and passion of staff, trustees, and the wider school community**.
- Leadership was recognised for fostering a **supportive and ambitious learning environment** where every child is encouraged to thrive.

Financial Overview - The Trust operates within DfE funding parameters and maintains robust financial controls. Income sources include:

- DfE core funding
- Targeted grants
- Lettings and donations

Expenditure priorities include:

- Curriculum delivery and enrichment
- Staffing and professional development
- Site maintenance and capital investment
- Technology and infrastructure

The Trust achieved a balanced budget in 2024-25 and maintains reserves to support future growth and mitigate risk. Financial statements are prepared in accordance with Charities SORP and Academies Accounts Direction. External auditors have confirmed the integrity of financial reporting.

Impact Statement - Wootton Park Academy Trust continues to deliver outstanding outcomes:

- High academic achievement across all key stages
- Strong indicators of personal development and wellbeing
- Recognition for curriculum innovation
- Deep engagement with families and community partners
- Strategic expansion with a new primary school opening in 2025

Our learners are confident, compassionate, and equipped to make a positive impact. The Trust's vision for public service and a stronger society is embedded in every aspect of school life.

Next Steps and Strategic Priorities 2025 – 26

Wootton Park School Strategic Priorities

Strategic Priority 1: Whole School Culture

- To review and maintain strong leadership and governance, behaviour and attitudes, attendance, personal development and wellbeing, inclusion and safeguarding
- Review and maintain strong strategic leadership and governance culture of the school, one that works closely with parents, carers and the community and keeps a sharp focus on staff workload and wellbeing
- Review and maintain the school's work to secure learners continued exemplary behaviour and attitudes and develop work on attendance further

WOOTTON PARK ACADEMY TRUST

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

Strategic Priority 2: In the classroom

- To review and maintain strong curriculum, developing teaching, achievement and EYFS
- Review and maintain our all-through curriculum: one school, one journey, one curriculum
- Review and maintain our exemplary culture of teaching development and professional development so learner experiences, inside and outside of the classroom, continue to be high quality and inclusive
- Review and maintain our exemplary performance in KS1, KS2 and KS4 national tests and examinations
- Review and maintain EYFS provision, maintaining high quality teaching and leadership, well-being and attainment and developing further CPD provision

Strategic Priority 3: Sixth Form

- To develop and maintain the sixth form to ensure attainment matches the excellent quality of provision
- To secure strategic leadership of the 16 to 19 programmes of study to enable all students to achieve well
- Review and maintain the strong provision for students' preparedness for their next steps
- Review and maintain the wider opportunities provided so they continue to be high quality and to prepare students for adult life

Overstone Gate Primary School Strategic Priorities 2025-2026

Priority 1: Establish a Strong School Ethos, Culture and Community

- Embed the school's vision, values and behaviour expectations from the outset.
- Build a positive, inclusive culture with high expectations for learning and conduct.
- Develop strong relationships with parents, carers and the wider community.
- Promote regular attendance and learner engagement through clear routines and communication.

Priority 2: Deliver a High-Quality, Ambitious Curriculum

- Implement a well-sequenced curriculum across all subjects, prioritising early reading, phonics and maths.
- Embed the EYFS framework and ensure strong transition into KS1.
- Establish consistent planning, teaching and assessment systems.
- Promote a love of reading through a whole-school reading culture.

Priority 3: Embed Effective Leadership, Safeguarding and School Systems

- Ensure all statutory responsibilities are met (safeguarding, health and safety, compliance)
- Develop clear leadership roles, even within a small team, to support school improvement.
- Embed self-evaluation, monitoring and review processes in line with Ofsted expectations.

Priority 4: Invest in Staff Development and Learner Personal Growth

- Provide a high-quality induction and CPD programme aligned with school priorities.
- Foster a culture of collaboration, coaching and professional growth.

Wootton Park Academy Trust Strategic Priorities 2025-2026

People

- Foster a flexible, agile, and inclusive workforce that champions equality, diversity, and inclusion across all aspects of Trust life.
- Attract, retain, and develop exceptional talent through innovative recruitment, training, and career development strategies.
- Create a culture of recognition, feedback, and professional trust, where staff feel valued and confident in times of change.

School Improvement

- Embed a strong, inclusive curriculum across all schools, offering rich, engaging, and diverse learning experiences.
- Deliver high-quality teaching and learning that empowers all learners to reach their full potential.
- Promote continuous professional growth for all staff to drive high standards in teaching and learning.

Inclusion for All

- Establish a culture where the individual needs of all learners are met through embedded inclusive practices.
- Promote inclusive approaches that enable every learner to thrive and succeed.
- Develop a shared vision that empowers individuals to build independence, life skills, and a sense of personal achievement.

Digital Development

- Ensure personal devices are effectively deployed and safely managed to support learning.
- Harness Artificial Intelligence to enhance operational efficiency and teaching practices
- Maintain responsible and secure data management across the Trust.

Sustainable Growth

- Continue to grow the Trust sustainably, ensuring central support services remain responsive and adaptable
- Manage estates and compliance systems efficiently and innovatively to support educational priorities
- Ensure all schools operate with financially sustainable and resilient business models.

Governance

- Strengthen strategic and reflective leadership across the Trust to drive improvement and impact.
- Ensure robust accountability and compliance frameworks across all areas of Trust operation.
- Maintain clear governance structures and ensure the right expertise is in place to support effective decision-making.

Going concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Financial review

Most of the Academy's income is obtained from the Department of Education (DfE) in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the ESFA/DfE during the year ended 31 August 2025 and the associated expenditure are shown as restricted funds in the Statement of Financial Activities.

The Academy also receives grants for fixed assets from the ESFA/DfE. In accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice, such grants are shown in the Statement of Financial Activities as restricted income in the fixed asset fund. The restricted fixed asset fund balance is reduced by annual depreciation charges over the expected useful life of the assets concerned.

In addition, funds are received from various activities carried out to generate funds, such as any running costs of the Academy not met by restricted grants. Any surplus is carried forward as an unrestricted fund in the balance sheet.

WOOTTON PARK ACADEMY TRUST

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

Financial Position

During the year ended 31 August 2025 total revenue expenditure (excluding depreciation and LGPS pension adjustments) was £10.3 million (2024: £9.8 million) and total income and endowments from the DfE and other sources were £11.1 million (2024: £9.3 million).

At 31 August 2025 the net book value of tangible fixed assets was £23.1 million (2024: £23.3 million) and movements in tangible fixed assets are shown in the notes to the financial statements. The assets were used exclusively for providing education and the associated support services to the pupils of the Academy.

The Academy held general fund balances at 31 August 2025 of £743,000 (2024: negative £138,000) comprising £723,000 (2024: negative £161,000) of restricted general funds and £20,000 (2024: £23,000) of unrestricted funds. The restricted pension reserve is currently £ Nil (2024: £ Nil). This relates solely to the actuarial assessment of Local Government Pension Scheme and future contribution rates have been agreed. The academy has included an asset ceiling cap to reduce the actual asset to Nil as required by current accounting standards.

Financial and risk management objectives and policies

The academy trust's financial and risk management objectives are documented in its:

- Official budgets
- Scheme of delegation
- Financial regulations
- Risk register
- Risk management policy

The deficit on the pension reserve relates to the non-teaching staff pension scheme where, unlike the teachers scheme, separate assets are held to fund future liabilities. The deficit can be met in the longer term from any combination of increased employer or employee contributions, increased government funding or changes to scheme benefits.

Reserves policy

The Trustees review the Reserves policy annually and monitor reserves on a monthly basis in the management accounts. Given increasing salary costs, downward pressure on grant income and uncertainty over costs relating to the growth of Overstone Gate Primary the Trustees currently aim to hold reserves to cover future budget gaps.

The Academy's current level of free reserves (total funds less the amount held in restricted pension and fixed asset funds) is £723,000 (2024: negative £161,000).

Investment policy

The Academy Trust does not hold any investments other than cash at bank.

Principal risks and uncertainties

The Trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The Trustees have assessed the major risks to which the Academy is exposed, in particular those relating to the fraud, technological disruption, specific teaching, provision of facilities and other operational areas of the Academy, and its finances. The Trustees have implemented a number of systems to assess risks that the Academy faces, especially in the operational areas (e.g. in computer security, financial systems controls and, relation to teaching, health and safety, bullying and Academy trips). They have introduced systems, including operational procedures (e.g. vetting of new staff and visitors, supervision of school grounds) and internal financial controls in order to minimise risk. Where significant financial risk still remains they have ensured they have adequate insurance cover. The Academy has an effective system of internal financial controls and this is explained in more detail in the Governance Statement.

WOOTTON PARK ACADEMY TRUST

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

The Trustees regularly review the risks faced by the Academy Trust and have completed a "Risk Register" to identify the critical areas of concern. As far as possible the Trustees have put in place management controls to minimise/mitigate risks.

This should include consideration of those risks impacting on trustees' responsibilities to ensure the trust's estate is safe, well maintained, and complies with relevant regulations.

The Trustees regularly review the risks faced by the Academy Trust and have completed a "Risk Register" to identify the critical areas of concern. As far as possible the Trustees have put in place management controls to minimise/mitigate risks.

Fundraising

The academy trust does not currently have in house resources. There is a parent committee that uses The Friends of Wootton Park School to fundraise on behalf of the academy trust. The Friends of Wootton Park School have their own charity status. The academy trust fundraisers for charity and all donations are given to the relevant charity. All fundraising undertaken during the year was monitored by the Trustees.

Plans for future periods

Financial Management

The Trust has a clear Scheme of Delegation where the main financial operational procedures and due diligence are overseen by The Finance & Resources Committee.

This committee ensures value for money through regular reports and reviews of current and planned spending. The committee conduct these reviews through review of management accounts, an internal scrutiny report function and access to the interactive financial systems which show live dashboard performance against budgets along with KPIs.

The internal financial team structure has grown and evolved embracing technology. The team is monitored by the CFO, finance & resource committee, internal scrutiny, and external audit. Regular training and advisory, together with a forward-thinking attitude to continue to improve and take advantage of emerging technologies and working relationships, is ensuring the financial functions integrates within the daily operations to provide transparency, efficiency and relevant information for joined up decision making and oversight.

The Trust has now transitioned to a MAT and all key services have moved to a central team. This model will ensure efficient use of Trust finances and capacity.

Risks going forward

The most significant risk for the coming academic year is ensuring a balanced school budget. With increasing pressure on grant monies available, energy costs and inflationary rises, pension and wage cost, budgets are tight. The risk is managed by the use of:

- Monthly management accounts reporting with onward review of in year budgets and forecast
- Interactive financial systems that show daily and forecast performance
- Training and support to finance team to ensure financial data is accurate
- Regular internal finance meetings with CEO/Principal
- Regular Finance Committee meetings
- Timely census returns confirming increased pupil numbers to ensure positive pupil number adjustments.
- Timely financial returns for grants ensuring allocations are spent accordingly and not clawed back
- Strategic staffing plans to ensure costs are kept to a minimum with costs including overtime

Auditor

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

A resolution proposing that Azets Audit Services be reappointed as auditor of the charitable company will be put to the members.

The trustees' report, incorporating a strategic report, was approved by order of the board of trustees, as the company directors, on 25 November 2025 and signed on its behalf by:

WOOTTON PARK ACADEMY TRUST

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2025

Scope of responsibility

As trustees, we acknowledge we have overall responsibility for ensuring that Wootton Park Academy Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As trustees, we have reviewed and taken account of the guidance in DfE's Governance Guide.

The board of trustees has delegated the day-to-day responsibility to the principal, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Wootton Park Academy Trust and the Secretary of State for Education. The accounting officer is also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The board of trustees has formally met 5 times during the year. Attendance during the year at meetings of the board of trustees was as follows:

Trustees	Meetings attended	Out of possible
Mr D Allmark	5	5
Ms R Brittle (Chair of Directors)	5	5
Ms M Miller	4	5
Mrs B O'Brien	4	5
Mr D H Rosser (Accounting officer)	5	5
Mr M Scoble	5	5
Mr C Howard (Resigned 21 September 2025)	2	5
Ms K Clough	5	5
Dr M Mcdowell (Appointed 14 October 2024)	3	4
Ms R Patel (Appointed 6 August 2025)		
Ms L Fox (Appointed 11 February 2025)	3	3

Conflicts of interest

The Academy maintains an up-to-date and complete register of interests, which is shared on the school website and in the Trustees minutes. The Finance manual is in place, updated annually and is adhered to. All staff follow these processes and practices and this is monitored by the Finance Manager and the Accounting Officer.

Governance reviews

The Academy Trust carry out an annual skills audit using the latest National Governance Association (NGA) guidance and documents. The final report was very positive showing the board is strong in all areas when working together. The board carried out a self-evaluation to support the board's strategic growth and to identify any training needs. The report highlights the board's strengths and identified trustees wished to build on their own knowledge in new areas. Trustees understand the importance and value of ensuring these reports are completed annually to support the board's growth and in turn help the school to sustain outstanding practice. The board also completed a diversity questionnaire (via NGA template) and identified areas to strengthen and promote diversity. The surveys were completed in December 2023 and discussed at the next FGB meeting. The board plans to complete their next review to include an independent review in the next academic year.

Finance, Policy and Personnel Committee

The finance and operations committee is a sub-committee of the main board of trustees. Its purpose is to inter alia, to review and approve all matters relating to Finance, Human Resources, Premises, Risk Management and Health and Safety. The Committees make recommendations to the board of Trustees for approval as set out in the terms of reference.

Review of value for money

As accounting officer, the Principal has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes, as well as estates safety and management, achieved in return for the taxpayer resources received.

The accounting officer considers how the academy trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where available. The accounting officer for the academy trust has delivered improved value for money during the year by:

Educational outcomes have been improved with the same resource

- Closely monitoring staff requirements and making appropriate decisions about replacement, or otherwise when existing staff leave.
- Reviewing the effectiveness of the curriculum and the number of staff required to deliver the curriculum effectively.
- Reviewing the basis on which Teaching and Learning Responsibilities (TLRs) are awarded to make sure that the number awarded are rationalised, appropriate for the size of the school and consistent across the facilities.
- The Academy has been able to avoid using any agency cover for teaching staff ensuring that the high standards have been maintained.

Purchasing has been improved

- Enhancing shared resources that are used throughout the school for cross curricular learning reducing the financial burden on departmental budgets.
- Additional funding secured from the LA to improve the temporary building facilities.
- Additional Best Value checks undertaken against new companies to ensure compliance is adhered to when entering a new contract for goods.
- New suppliers sourced and requested new discounts from current suppliers in order to reduce costs.
- School Minibus utilised for suitable trips to reduce increasing coach costs to parents.

Financial oversight and governance has been strengthened

The Trust reviewed its financial accounting systems and has merged its current financial package in line with the ESFA charts of accounts. This will enable an efficient system allowing the Trust's finances to be managed more effectively. Financial reporting, Benchmarking and the Academies Accounts return will also benefit by this strengthening.

Income generation has been maximised

Increase to lettings bookings ensures income generation continues to grow. Our wrap around care facilities are full every day and we secured funding from our Local Authority to improve the temporary building provision.

Value for money: Areas for future focus

As the Trust enters its eighth year of operation, there will be a further focus on lettings income generation and a review of suppliers originally appointed for the Trust's opening.

In particular, accounting officers should consider demonstrating how they have effectively used relevant funding to ensure the trust's estate is safe, well-maintained, and complies with regulations.

WOOTTON PARK ACADEMY TRUST

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Wootton Park Academy Trust for the period 1 September 2024 to 31 August 2025 and up to the date of approval of the annual report and accounts.

Capacity to handle risk

The board of trustees has reviewed the key risks to which the academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy trust's significant risks that has been in place for the period 1 September 2024 to 31 August 2025 and up to the date of approval of the annual report and accounts. This process is regularly reviewed by the board of trustees.

The risk and control framework

The academy trust's system of internal control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;
- regular reviews by the finance and resources committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- identification and management of risks.

The board of trustees has considered the need for a specific internal audit function and has decided to appoint Infinitas Accountants Limited as an internal auditor for another academic year.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the academy trust's financial systems. In particular the checks carried out in the current period included:

- testing of payroll systems
- testing of purchase systems
- testing of petty cash and staff expenses
- testing of control account/ bank reconciliations
- review of various governance and associated business matters.

The internal auditor reports to the board of the Trustees, through the Finance and Operations committee on the operations of the systems of control and on the discharge of the board of Trustees' financial responsibilities three times a year.

The Academy trust confirms the internal auditor has delivered their schedule of work as planned and no material control issues arose from the internal auditor's work.

Review of effectiveness

As accounting officer the principal has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal reviewer;
- the work of the external auditor;
- the work of the executive managers within the academy trust who have responsibility for the development and maintenance of the internal control framework.

WOOTTON PARK ACADEMY TRUST

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the finance and operations committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Conclusion

Based on the advice of the audit and risk committee and the accounting officer, the board of trustees is of the opinion that the academy trust has an adequate and effective framework for governance, risk management and control.

WOOTTON PARK ACADEMY TRUST

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE *FOR THE YEAR ENDED 31 AUGUST 2025*

As accounting officer of Wootton Park Academy Trust I confirm that I have had due regard to the framework of authorities governing regularity, propriety and compliance, including the trust's funding agreement with DfE, and the requirements of the Academy Trust Handbook, including responsibilities for estates safety and management. I have also considered my responsibility to notify the academy trust board of trustees and DfE of material irregularity, impropriety and non-compliance with terms and conditions of all funding, including for estates safety and management.

I confirm that I, and the board of trustees are able to identify any material irregular or improper use of all funds by the academy trust, or material non-compliance with the framework of authorities.

I confirm that no instances of material irregularity, impropriety or non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and DfE.

WOOTTON PARK ACADEMY TRUST

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 AUGUST 2025

The trustees (who are also the directors of Wootton Park Academy Trust for the purposes of company law) are responsible for preparing the trustees' report and the accounts in accordance with the Academies Accounts Direction 2024 to 2025 published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare accounts for each financial year. Under company law, the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from ESFA/DfE have been applied for the purposes intended.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of accounts may differ from legislation in other jurisdictions.

WOOTTON PARK ACADEMY TRUST

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WOOTTON PARK ACADEMY TRUST

FOR THE YEAR ENDED 31 AUGUST 2025

Opinion

We have audited the accounts of Wootton Park Academy Trust for the year ended 31 August 2025 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the accounts, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025 issued by the Education and Skills Funding Agency.

In our opinion the accounts:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2025 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the accounts' section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the academy trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the accounts and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the accounts themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

WOOTTON PARK ACADEMY TRUST

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WOOTTON PARK ACADEMY TRUST (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report including the incorporated strategic report for the financial year for which the accounts are prepared is consistent with the accounts; and
- the trustees' report including the incorporated strategic report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error. In preparing the accounts, the trustees are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Extent to which the audit was considered capable of detecting irregularities, including fraud

We obtain and update our understanding of the entity, its activities, its control environment, and likely future developments, including in relation to the legal and regulatory framework applicable and how the entity is complying with that framework. Based on this understanding, we identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. This includes consideration of the risk of acts by the entity that were contrary to applicable laws and regulations, including fraud.

WOOTTON PARK ACADEMY TRUST

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WOOTTON PARK ACADEMY TRUST (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

In response to the risk of irregularities and non-compliance with laws and regulations, including fraud, we designed procedures which included:

- Enquiry of senior leadership, Governors/Trustees and those charged with governance around actual and potential litigation and claims as well as actual, suspected and alleged fraud;
- Reviewing minutes of meetings of those charged with governance;
- Assessing the extent of compliance with the laws and regulations considered to have a direct material effect on the financial statements or the operations of the company through enquiry and inspection;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations including compliance with the Academies Accounts Direction 2024 to 2025 issued by the Education and Skills Funding Agency;
- Performing audit work over the recognition of grant income and the allocation of expenditure to funds;
- Performing audit work over the risk of management bias and override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the rationale of significant transactions outside the normal course of business and reviewing accounting estimates for indicators of potential bias.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

WOOTTON PARK ACADEMY TRUST

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO WOOTTON PARK ACADEMY TRUST AND THE EDUCATION AND SKILLS FUNDING AGENCY

FOR THE YEAR ENDED 31 AUGUST 2025

In accordance with the terms of our engagement letter dated 3 September 2024 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2024 to 2025, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Wootton Park Academy Trust during the period 1 September 2024 to 31 August 2025 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Wootton Park Academy Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the Wootton Park Academy Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Wootton Park Academy Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Wootton Park Academy Trust's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Wootton Park Academy Trust's funding agreement with the Secretary of State for Education dated 1 July 2011 and the Academy Trust Handbook, extant from 1 September 2024, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2024 to 2025. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2024 to 31 August 2025 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- Assessment of the internal audit work and reliance placed upon this work for the review of internal control procedures
- Further testing of the internal control procedures has been carried out in the following areas:
 - Sample test of delegated authority procedures
 - Enquiry and review of transactions with connected persons
 - Review of governance procedures including inspection of Trustee and relevant Board minutes
 - Sample test of procurement procedures
- Communication with the Accounting Officer

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO WOOTTON PARK ACADEMY TRUST AND THE EDUCATION AND SKILLS FUNDING AGENCY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2024 to 31 August 2025 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

WOOTTON PARK ACADEMY TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2025

1 Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation

The accounts of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2024 to 2025 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Wootton Park Academy Trust meets the definition of a public benefit entity under FRS 102 and is a private charitable company, limited by guarantee and registered in England and Wales. The address of its principal place of business is given on page 1 and the nature of its operations are set out in the trustees' report.

The financial statements are prepared in Sterling, being the functional currency of the charitable company. Monetary amounts presented in these financial statements have been rounded to the nearest £'000.

1.2 Going concern

The trustees assess whether the use of going concern is appropriate, ie whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. The trustees have made this assessment in respect of a period of at least one year from the date of authorisation for issue of the accounts and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

WOOTTON PARK ACADEMY TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

1 Accounting policies

(Continued)

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the accounts until they are sold. This income is recognised within 'Income from other trading activities'.

Donated fixed assets

Donated fixed assets are measured at fair value unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

Governance costs

These include the costs attributable to the academy trust's compliance with constitutional and statutory requirements, including audit, strategic management, trustees' meetings and reimbursed expenses.

1.5 Tangible fixed assets and depreciation

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding that require the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

1 Accounting policies

(Continued)

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Leasehold Land & Buildings	125 years
Computer equipment	20% on cost
Fixtures, fittings & equipment	20% on reducing balance

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

1.6 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.7 Leased assets

Rentals under operating leases are charged on a straight-line basis over the lease term.

1.8 Financial instruments

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows.

Financial assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.9 Stock

Stock is valued at the lower of cost and net realisable value.

1.10 Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.11 Pensions benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the academy trust.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a projected unit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.12 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Education and Skills Funding Agency/Department for Education.

Restricted pension reserve funds represent the Academy Trust's share of the assets and liabilities of the Local Government Pension Scheme.

1.13 Agency arrangements - Post 16 bursary

The academy trust acts as an agent in distributing 16-19 bursary funds from ESFA. Payments received from ESFA and subsequent disbursements to students are excluded from the statement of financial activities as the academy trust does not have control over the charitable application of the funds. The funds received and paid, and any balances held are disclosed in note 26.

2 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

WOOTTON PARK ACADEMY TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

2 Critical accounting estimates and areas of judgement

(Continued)

Critical accounting estimates and assumptions

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 22, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2025. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

The fair value of the pension plan assets at 31 August 2025 is in excess of the present value of the defined benefit obligation at that date giving rise to a surplus of £1,266,000 (2024: £406,000).

The surplus is recognised in the financial statements only to the extent that the Academy Trust can recover that surplus, either through a reduction in future contributions or through a refund to the Academy Trust. The Academy Trust is not able to determine that future contributions will be reduced and it is not possible to receive a refund, as the specific conditions for this have not been met. Therefore, an asset ceiling is in place such that the surplus of £1,266,000 (2024: £406,000) is not recognised as an asset at 31 August 2025 as the Academy Trust is not able to determine that future contributions will be reduced or that a refund of the surplus will be available in the foreseeable future.

11 Trustees' and officers' insurance

The Academy Trust has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protect Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy business and provides cover up to £10,000,000. It is not possible to quantify the Trustees and officers indemnity element from the overall cost of the RPA scheme.

(Continued)

The specific purposes for which the funds are to be applied are as follows:

Restricted General Funds represent unspent General Annual Grant (GAG), which must be used for the normal recurring costs of the Academy together with other restricted general funds.

Under the funding agreement with the Secretary of State the Academy Trust was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2025.

Restricted Fixed Asset Funds represent resources which have been applied to specific capital purposes imposed by the funder together with cash resources still to be expended. During the year a transfer of £220,000 was made from restricted fixed asset funds to restricted funds in order to fund the acquisition of various tangible fixed assets that were below the capitalisation threshold of £1,000 set by the Academy Trust.

Included within the restricted fixed asset fund carried forward is £222,000 in respect of unspent capital grants in relation to the start up of Overstone Gate Primary School.

Restricted Pension Reserve Funds represent the Academy Trust's share of the assets and liabilities of the Local Government Pension Scheme.

21 Contingent liabilities

During the period of the funding agreement, in the event of the sale or disposal by other means, of any asset for which a government capital grant was received, the academy trust is required either to re-invest the proceeds, or to repay to the Secretary of State for Education the same proportion of the proceeds of the sale or disposal as equates with the proportion of the original cost met by the Secretary of State.

Upon termination of the funding agreement, whether as a result of the Secretary of State or the academy trust serving notice, the academy trust shall repay to the Secretary of State sums determined by reference to:

- (a) the value at that time of the academy site and premises and other assets held for the purposes of the academy trust; and
- (b) the extent to which expenditure incurred in providing those assets was met by the Secretary of State under the funding agreement.

Since the Academy Trust has been in occupation of its new building it believes it has not been correctly charged for the water usage within its building. The Academy Trust management have been in discussions with its supplier to correct this position, however as at the date of approving these accounts has been unable to establish the correct position with the supplier. As the amounts involved can not be estimated with any degree of reliability no creditor has been provided within these accounts and the Academy Trust will recognise the liability once a reliable estimate can be established.

22 Pension and similar obligations

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Hymans Robertson LLP. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2020, and that of the LGPS related to the period ended 31 March 2022.

Contributions amounting to £162,444 were payable to the schemes at 31 August 2025 (2024: £165,075) and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academy trusts. All teachers have the option to opt out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary. These contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to ensure scheme costs are recognised and managed appropriately and the review specifies the level of future contributions.

Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2020. The valuation report was published by the Department for Education on 27 October 2023, with the SCAPE rate, set by HMT, applying a notional investment return based on 1.7% above the rate of CPI. The key elements of the valuation outcome are:

- Employer contribution rates set at 28.68% of pensionable pay (including a 0.08% administration levy). This is an increase of 5% in employer contributions and the cost control result is such that no change in member benefits is needed.
- Total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £262,000 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £222,200 million, giving a notional past service deficit of £39,800 million.

The result of this valuation will be implemented from 1 April 2024. The next valuation result is due to be implemented from 1 April 2028.

The employer's pension costs paid to the TPS in the period amounted to £1,535,668 (2024: £1,172,252).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust is unable to identify its share of the underlying assets and liabilities of the plan. Accordingly, the academy trust has taken advantage of the exemption in FRS 102 and has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are 24.1% for employers and 5.5% to 12.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013 and on 21 July 2022, the Department for Education reaffirmed its commitment to the guarantee, with a parliamentary minute published on GOV.UK.

The fair value of the pension plan assets at 31 August 2025 is in excess of the present value of the defined benefit obligations at that date, giving rise to a net surplus of £1,266,000 (2024: £406,000).

The surplus is recognised in the financial statements only to the extent that the Academy Trust can recover that surplus, either through a reduction in future contributions or through a refund to the Academy Trust.

The Academy Trust is not able to determine that future contributions will be reduced and it is not possible for the Academy Trust to receive a refund from the scheme, as the the specific conditions for this have not been met. Therefore, an asset ceiling is in place such that the surplus of £1,266,000 (2024: £406,000) is not recognised as an asset at 31 August 2025 and the net surplus/deficit recognised in the financial statements is capped at £Nil.

24 Related party transactions

Owing to the nature of the Academy Trust's operations and the composition of the board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the Trust has an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the Academy Trust's financial regulations and normal procurement procedures.

No related party transactions took place in the period of account other than certain trustees' remuneration and expenses already disclosed in note 10.

25 Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he or she is a member, or within one year after he or she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he or she ceases to be a member.

26 Agency arrangements

The academy trust distributes 16-19 bursary funds to students as an agent for ESFA. In the accounting period ending 31 August 2025 the academy trust brought forward £8,140 unspent bursary fund from 2024, received £13,577 and disbursed £4,821 from the fund. As at 31 August 2025, the unspent 16-19 bursary fund is £16,896, of which £3,319 relates to undistributed funding that is repayable to ESFA. The unspent balance can be seen within creditors in note 15.
